

POWERPALM™

POWER PALM

PNEUMATIC 16 / 18 GA. CLEAT PALM NAILER

DESIGNED BY POWERNAIL®

This innovative tool virtually eliminates top-nailing in tight spaces and starter/end rows. You can now maintain the integrity of your floor's aesthetic with the Power Palm's compact size, magnetic cleat holder and one-hand operation. This little tool is an absolute "Must" for any hardwood flooring installer!
