MODEL 54P

PNEUMATIC CARPET POWERTACKER™

POWERNAIL® HEAVY DUTY POWERTACKER

The new 54P Carpet Tacker is a compact, pneumatic alternative to our electric carpet tacker. This tacker fits easily between spindles and tight against walls. Its head is more than 2" shorter than its electric relative and 5 pounds lighter! The model 54P is compact enough to fit in even the tightest places and rugged enough to stand up to daily use and abuse.
