

INTRODUCING THE NEW MODEL 15FS POWER ROLLER

CONVERSION KIT

PART # 06-99606

When comfort and control make the difference, Powernail's latest Power Roller Conversion Kit allows the 15FS to convert into a Power Roller. Gliding on 6 precision urethane covered bearing wheels, the nailer moves effortlessly along the boards.

FEATURES

- Eliminates shims and pads
- Adjust from 5/8" to 3/4" (16mm to 19mm)
- 6 Precision urethane covered wheels
- Helps prevent edge-crush and fracture of prefinished flooring
- Increases speed and reduces fatigue
